## STORE NEWS WORTH PRINTING.

Every retailer who has any business to do in business is constantly on the lookout for means of improving the service he renders to the public. New methods of exhibiting, handling, packing and displaying merchandise are always displacing old methods. Catering to the convenience and comfort of shoppers is made a special study. Every year, every month, almost every day in the life of a progressive store witnesses the introduction of innovations calculated to invite the patronage of new customers and to increase the volume of sales to regular buyers. These changes fall short of their purpose if they are not made a matter of public information. It pays to present them to the attention of the readers of a newspaper that circulates in the territory served by the progressive store. The Gazette has a large circulation in this city and throughout this section, and is attentively read by the people who are interested in knowing what the stores are doing.

## POLICE COURT.

The following cases were disposed of this morning:

A young man, charged with assault, was dismissed.

## RED CROSS SEALS.

The second week of the Red Cross Christmas seal campaign begins today and finds those interested in this work more hopeful of a successful outcome. The demand for seals last week was large and many substantial orders were placed with the local agents. It is expected, however, that this week when careful Christmas shoppers are beginning to assemble their presents that the number of seals purchased for Christmas packages will be much larger. In addition to a large number of small purchasers, several leading business men of the city announced that they intended to place Red Cross seals on all their mail and entered their orders for large supplies of seals.

## A REFRACTORY PRISONER.

At a late hour Saturday night officer Campbell's attention was attracted by the actions of a young man named Gus Robinson, who was drunk and who had entered the vestibule of a residence in the western section of the city. The officer took charge of Robinson, but he resisted, broke and attempted to get away, was recaptured and finally placed in a carriage in which he was transported to the station house. Robinson damaged the carriage somewhat by kicking and managed to plant one of his feet in the officer's face, cutting his cheek. The young man was brought before the Police Court this morning when he was fined \$25.

## SENT BACK TO THE WORKHOUSE.

Alice Gallahan, who has often been arrested for drunken and disorderly conduct, was found in that condition again late Saturday night by Officers Barrett and Wilkinson. She was lying in a helpless condition in a field on the snow and ice. The woman was taken to the station house and this morning was placed in the dock. It seems she had recently been released from the work house. Justice Caton ordered her to be returned to the place from which she came and to be kept there sixty days.

## SILVER WEDDING.

Mr. and Mrs. William H. Thaler, formerly of this city, celebrated the 25th anniversary of their wedding at their home, 1131 Eleventh street northwest, Washington, last Saturday night. The house was filled with relations and friends, and the occasion was delightful throughout. Mr. and Mrs. Thaler were the recipients of numerous remembrances from their friends, who took leave at a late hour wishing many more anniversaries.

## STREET CAR COLLIDES WITH ELECTRIC TRAIN.

There was a collision between a street car and an electric train on Fourteenth street, near the Bureau of Engraving and Printing, Washington, this morning. The electric train had left the Washington station at 7:30 o'clock for Alexandria, and after proceeding a few minutes the car known as the "Bureau car" on Fourteenth street crashed into the rear of the electric train. A number of people on the street car were more or less injured (mostly by flying glass), while all the passengers on the electric train experienced the shock and scare incident to being knocked from their seats. The electric train was in charge of Conductor George Woodfield and Motorman John Cain. Conductor Woodfield and Motorman Cain, who had charge of the electric car which left this city at 8:30 o'clock this morning had another accident at Lloyd's station. Miss Mandy Goings, who was on the car, was struck by the car but was not seriously injured. The car was unable to stop the car but was able to do so until it had struck Miss Goings. She was picked up and later accompanied to the Alexandria Hospital by Mr. Thomas Travers, of the electric railway. Dr. Smith, who had been summoned, and Dr. Yates, of Alexandria county, rendered surgical assistance. It is not thought that Miss Goings' injuries are of a serious nature.

A white man named Carter had one of his hands injured by attempting to jump from an incoming electric train at King and Fayette streets this afternoon. He received attention at a nearby drug store.

## ACCUSED DISMISSED.

A fight took place at a late hour last Saturday night on Royal street, near King, between some young men, during which one of the party was struck on the head by a lump of ice and knocked completely out. A hole was cut in his derby by the missile. A young man was later arrested on the charge of being the assailant, and the case came up in the Police Court this morning. Two witnesses testified that the prisoner threw the lump of ice, and the other two were equally positive in their averals that he did not. Justice Caton, after listening to the evidence, said it was insufficient to call for the imposition of a fine, and that the assailant was as unknown to the court as the man who struck Billy Patterson.

## Y. M. S. L. DEFEATED.

The Lyceum "Speed Boys" were defeated at Armory Hall Saturday night by the quint from Georgetown University by a score of 21 to 12 in one of the fastest and most exciting games ever played in this city. The game was held before a large crowd who were kept in a state of excitement throughout the game by the remarkable playing of both teams. The first half ended with the score 12 to 11 in favor of Georgetown, but in the second half the weight of the Georgetown players was too much for their lighter opponents, and they succeeded in rolling up 9 points to the Lyceum boys 1. All of the Lyceum boys played well and from the spectators' view it was the best game ever played in this city.
